**Connecticut Building Congress Hosts  
Healthcare Horizons: What's on the Path Ahead**

HARTFORD, Conn –

The Connecticut Building Congress will host the program “Healthcare Horizons: What's on the Path Ahead” on Tuesday January 14, 2020 at The Cascade, 480 Sherman Avenue, Hamden, Connecticut. The event will start at 5:30 pm with networking and registration. The snow date for this event is Wednesday January 15th.

The healthcare market continues to be strong, but also presents special challenges for owners and their design and construction teams. Join us for an interactive panel of healthcare network executives as we discuss the current issues, influences and opportunities related to the ever-changing healthcare landscape. Our distinguished panel for this event will include:

- Stephen Carbery, Vice President, Facilities Design, Construction & Real Estate, Yale-New Haven Health-Corporate Facilities
- Kirsten Waltz, Director of Facilities Planning and Design, Baystate Health
- Karri May, Director of Facilities, Connecticut Children's Medical Center
- Moderator: Ron Goodin, CBC President-Elect, Phase Zero Design

Agenda:

5:30 - 6:30 PM: Networking and Registration

6:30 - 7:15 PM: Dinner & Dessert

7:15 - 8:15 PM: Program and Q&A

8:15 - 8:30 PM: Closing Remarks and Door Prize Drawing

REGISTRATION: [www.cbc-ct.org](http://www.cbc-ct.org) by Thursday January 9, 2020

College and High School Students Welcome - We welcome college and high school students with an interest in the design and construction industry, especially those from CBC's alliance colleges: Capital Community College Construction Management and Engineering Technology programs, Central Connecticut State University Construction Management program, and University of Connecticut Department of Civil and Environmental Engineering.

The **Connecticut Building Congress** creates a forum for building professionals to connect, learn, and grow. Since 1952 CBC has been the premier organization for Connecticut's building professionals to develop strong industry connections.
