Join us on a tour of the 2019 CBC Project Team of the Year Award Winner – Lafayette Hall at Housatonic Community College. They’ll share the unique challenges they encountered and how they were overcome. You’ll also hear from the CT State Colleges & Universities Board of Regents – sharing its experience on this project and several others which have influenced the planning for future CT Community Colleges. You will also have access to the 300,000 square-foot Museum of Art Burt Chernow Galleries, one of the premier permanent college art collections in the United States.
